the Gillespie Method of Hygienic Treatment and Manipulation of the head, for it not only stops the Hair from falling out and renews the growth, but will also cure nervous headaches and will be a very great benefit to those suffering from Insomnia.

This method has been accepted by the Waltham Training School for Nurses and is used in connection with their work. It is also indorsed by leading physicians.

We treat all diseases of the scalp, such as Eczema and Dandruff, and other irritations, itching, burning, etc. We treat both ladies and gentlemen, also children.

Madam Gillespie has recently enlarged her rooms and Laboratory. Each patient is treated in a private room, and a personal examination by Madam Gillespie is made before treatment is given.

The Gillespie Scalp Invigorator for sale by S. S. Pierce & Co., C. F. Hovey & Co., R. H. Stearns & Co., Houghton & Dutton, and druggists, and by
